Vail, William

[Plumber and Gas Fitter
108 University Pl.], 1905-1908

August 25 1905

My dear Mr. Bryant:

I have just returned from a two weeks vacation which accounts for the delay in sending you the enclosed bills.

Mrs. Vail - Putting in hose connections 18.75
" " Putting in wash tubs 105.40

These bills should come out of the building fund and I have so marked them. I think it will be better to pay them and have the money transferred when the remaining building fund subscriptions are paid in, as we have done with several others.

With kind regards and hoping that you are feeling well and enjoying this pleasant weather I am

Very sincerely yours

Paul Dana Vail

Dear Mr Robinson:-

I have a bill for putting in your wash tubs the first of last April. Have you any recollection of the time it took to do this? The bill calls for five (5) days plumber & helper which seems a pretty long time. Still it may be all right. I want to find out all I can about it before approving the bill.

Very truly yours
